Definition of Terms

- Credits Played:** The amount of onscreen credits wagered on a video gaming machine (VGM). This amount does not represent cash inserted into the VGM's.
- Credits Won:** The amount of onscreen credits won on a VGM. Also includes any progressive jackpot liability due to players.
- Net Win:** The net revenues remaining after payout of prizes to players. (Credits Played less Credits Won) Net win is commonly referred to as "Hold" or "Net Machine Income".
- Education Contribution:** The portion of Net Win allocated to the State Education Fund for direct aid to education.
- Racetrack Commission:** The portion of Net Win allocated to the operators of the gaming facility. All operating expenses of the gaming facility are paid from the racetrack commission, with the exception of those administrative costs funded by the allocation for "Lottery Administration".
- Marketing Allowance:** The portion of Net Win allocated to the operators of the gaming facility that is restricted for marketing, promotion, and associated costs of the gaming facility.
- Lottery Administration:** The portion of Net Win allocated to the Lottery for certain administrative costs including the central system, gaming machines, facility surveillance equipment, and State Police & Lottery personnel costs.
